

### TINT A CAR, HOME AND OFFICE - MANDURAH, WA

#### ABOUT THE BUSINESS

Tint a Car Home and Office is a household brand in Australia – a trusted brand in window tinting for cars and homes. Tint a Car has been operating in Mandurah WA for over nine years.

#### THE REQUIREMENTS

Moving to larger premises in early 2016, Jason the owner of Tint a Car Mandurah, had a vision for a sustainable future and an organisation strategic plan.

#### THE SOLAHART SOLUTION

Jaap Bos, the dealer principal for Solahart Mandurah, was invited to site to provide an environmentally sound solution for their goals. Through detailed analysis of the customer's electricity consumption, a small commercial solar solution was designed to match load profiles and maximise electricity bill savings. Solahart Mandurah was selected for their customer-focused approach and technical expertise which saw a positive return on Tint a Car's investment.

#### THE SAVINGS

So far, Summer electricity bills have reduced from \$1000/month to \$300/month. Winter electricity bills have reduced from \$600/month to \$180/month.

#### TESTIMONIAL

*"I now do not dread receiving our power bills as the investment in the system will soon cover itself as in summer we are generating well over 70kW per day. We are very happy with the service from Solahart Mandurah, and from day one, the energy savings that the system has produced has exceeded our expectations."*
